There is really nothing wonderful about the success of this business; simply "cause and effect." No secret. It is only making fine garments to order at prices usually asked for the ready-made. Men are secting to know the best place to have clothes made to measure—and as a result I am busy. Where can you get the equal of the \$25 Spring Suits to order or select from such a line of "dressy" \$10 Trouserings? Why not make your selection before the best are gone?

It appears that a party of Garza's sympathizers along the Rio Grande went up to San Antonio to make complaint against the United States soldiers and while there were placed under arrest by the civil authorities and sent back home under bonds. They did not like this sort of treatment and the charges are the result. They have not yet been examined by the authorities, so it was impossible to learn their nature, but it is understood that they relate to alleged injuries committed by the soldiers while encamped on the ranches of Garza's friends. Under the circumstances it was thought probable that some such charges as these would be made, but they will in all probability be investigated. To all appearances the War Department does not attach much importance to the matter.
